Deputies Seek to Identify Larceny Suspect

Hanover, Va. – On July 18, 2021, deputies responded to the 12100 block of Chewing Road for the report of a larceny of animal feed that occurred on July 13, 2021. The complainants advised they noticed a special order of feed was missing when a customer came to pick it up.

Upon checking surveillance footage, a truck arrived on July 13, 2021, at 11:46 a.m. occupied by two male subjects. The occupants were caught on camera taking the feed. The subjects left a “receipt” for the items, but no payment.

The vehicle is believed to be an older white Ford pickup truck. The cover on the truck bed had a Roto-Rooter logo. The value of the feed stolen is over \$1,000.00.
