

Hanover County Sheriff's Office

Worship Watch

Worship Watch is a community initiative, similar to a Neighborhood Watch. It provides a platform of communication and partnership specific to our faith community and is designed to broaden response and service opportunities to our citizens.

You can expect us to do the following:

1. Designate Sheriff's Office personnel to serve as liaisons with program participants.
2. Provide participants with up-to-date electronic notices about community crime trends.
3. Conduct regular meetings to ensure a lasting partnership.
4. Identify and create opportunities for networking of resources in times of community need.
5. Provide materials and resources to educate participants on areas of public safety and security.
6. Provide information about the Sheriff's Office facility security assessment program.
7. Provide participants with an opportunity to better support those they serve.
8. Provide participants with a *Worship Watch* sticker to be posted in a conspicuous place signifying their participation in the program and a visible message to would-be criminals.

We hope you will join us in serving our community together by partnering with us. If you would like to be part of our Worship Watch program, please contact Deputy Jim McLaughlin at (804) 365-6335 or JPMclaughlin@hanovercounty.gov or Deputy Terry Sullivan at (804) 365-6331 or TSullivan@hanovercounty.gov.
